

WHO WE ARE

Global Peace Women (GPW) is an international non-sectarian nonprofit organization that amplifies women-led initiatives to further peace and human development based on the vision of One Family under God. We envision a world in which **true women, as service-minded leaders, build ideal families, communities, and a world of peace.**

STRENGTHENING FAMILIES

We believe that happy and resilient families are the building blocks of peaceful and healthy communities. We support initiatives that build healthy and complementary relationships of love in the family.

- Peace Begins in the Home Campaign
- Family Enrichment Workshops
- Family Volunteers for Peace

UPLIFTING WOMEN'S VALUE & DIGNITY

We help women recognize their God-given gifts, develop self-confidence, and increase respect for themselves. We celebrate women's unique qualities to increase appreciation for women in the family and society.

- Gender-Based Violence Prevention
- Uplifting Women Workshops
- Living for the Sake of Others' Awards

ADVANCE WOMEN'S LEADERSHIP

Our global partnership-building platforms promote moral and innovative leadership. We create a community of service-minded women leaders to amplify collective impact and further peace.
