

## Youth Enterprise and Social Innovation: Achieving the 2030 Goals for Sustainable Peace and Development

The 2021 Global Peace and Development Service Forum plenary session is the culmination of a series of regional buildup summits, capacity building and action in Africa, the Americas, and South and Northeast Asia.

The three-hours forum will feature a keynote speeches, panel discussion, and breakout sessions for the participants to learn and engage in interactive sessions. It will spotlight organizational experts and best practices in the thematic issues of the sustainable development goals including the environment, peace-building, employment and youth enterprise in the midst of the COVID pandemic and beyond. In the last 30 minutes, there will be the youth social enterprise competition winner project pitching session from the South-Asia sub-region, Southeast Asia sub-region and Northeast Asia sub-region.
